

Donate to It's EarthDay EveryDay!

It's time to increase awareness of and stimulate action toward all the EARTH issues we face—including peak oil, global warming, eco-structure collapse, species extinction, pollution overload, rampant consumerism, excessive waste, and similar issues. It's also time to partake in **POSTIVE** behaviors and deeds, to realize that we **CAN** make a difference, that we can come together as a community and celebrate the wisdom and joy of Nature as well as each other.

This is what **EarthDay EveryDay!** weekend is all about.
The theme this year is: "OUR EARTH, OUR COMMUNITY"

Friday, April 18: "Practical and Profitable Solutions to Global Warming" presented by Rhys Roth of Climate Solutions at 7:30 PM, USO Hall, Fort Worden State Park.

Saturday, April 19: Clean-ups including E-Waste collection (electronics disposal)

Sunday, April 20: Green Living Expo, Memorial Field, 10 AM to 5 PM—includes offerings on Conserving Resources, Smart Energy, Green Building, Sustainable Agriculture, Green Transportation, Strengthening Community, Kids' Activities, a Green Marketplace, and presentations in a Community Tent. There will be free music, entertainment, and community participation. Procession down Water Street from US Bank to Memorial Field, starting at 11:30 AM.

Help make **EarthDay EveryDay!** an especially meaningful event that spurs us all to do more as well as appreciate our supportive community. We need individuals and businesses willing to donate funds and/or to volunteer time. Each business sponsor donating \$100 or more will have their logo included in our advertising.

* If you can **volunteer** before or during an event, please send an email to Val Johnstone at valjohnstone@aol.com. Give an hour for EarthDay!

* To make a **donation**, please detach portion below and send with your check to:

EarthDay EveryDay!

1310 Rose Street, Port Townsend, WA 98368

THANK YOU!!!!
